Yes, Tita. Best to do that in writing – email will suffice.

What kind of extension are you asking for? Would the first week of August be ok?

Have a nice weekend.  
 Michael

Good afternoon Michael!

I hope this Friday is treating you well!

Through our discussion I've verbally requested an extension to the attached letter, and as a result we have our meeting set for the 19<sup>th</sup>. However should I submit to you a formal written extension request?

Thank you for your time and guidance.  
 Respectfully,  
 Tita

Hello Tita,

Office of Regional Counsel, in consultation with the RCRA program office, has drafted the attached letter. The letter is requesting justification for your CBI claims. Actually, if it were possible to disseminate information, such as contained in my position paper and contained in a position paper being drafted in ORCR, it would be easier for EPA to communicate between HQ and the regional offices.

Please call me at 312-886-4582 with any questions.

Thank you, Tita.

Sincerely,  
Michael
